Neighbors dog

Type problem here.

I have submitted a few complaints about my neighbors dog that is constantly barking and in our yard. At this point I have no other option but to take matters into my own hands. I don't feel safe going outside with my baby in fear this dog is going to charge at us like it has several times in the past. Please get this under control. Picture attached of it is our word right now.

in our yard right now.
