Special Meeting
1:15 PM
January 23, 2026

A special meeting was held on Friday, January 23, 2026, at Leeds City Hall. Nick Parslow called the meeting to order at 1:15 pm. Councilmembers Patrick Streyle, and Kris Larson were present. Tony Gratton joined the meeting via telephone. Kyle Nelsen was not present at the meeting. Same Hansen, Rochelle Hansen, Brock Hansen, and Kylee Hansen all joined the meeting via telephone. Adam Parslow joined the meeting.

This special meeting was held with the Leeds City Council and the Leeds Harvest Days to talk about the Leeds Fire Department's 125th Celebration in 2027. They have drafted a schedule of events they would like to hold during the Leeds Harvest days but to do all the events they would like to, the derby would have to be moved from Saturday to Sunday. With them moving the derby to Sunday in 2027, it was suggested to move the derby permanently to Sunday going forward, so Leeds Harvest Days can return to being more family-friendly, with more kid events on Saturday. The current Leeds Harvest Days committee is concerned because Leeds is part of a circuit and moving the derby might not fit into that circuit's schedule, resulting in a loss of admission at the derby, and derby participants (if they have too much fun Saturday night, are unable to make the derby on Sunday).

At the end of the very long, uneventful meeting, it was decided that the derby cannot be moved this year because advertising and Sam telling his derby friends (who are not Leeds residents) about the derby dates. But the Leeds Harvest Days Committee will be reformed so it's not just Sam's family to 1 to 2 people from every board in the city. Please don't pick me!!
