Briefly State the Basis of Your Complaint:

Neighbors - Nelsons - have 2 dogs - poodles - large + small. Their visits on my property have progressed each day. They have made "business" on my backyard lawn, & have now proceeded to my back deck.

I have new furniture + rug I do not want damaged. I also have a small older dog who goes out - on a leash, + I worry of her safety.

Their dogs have been recorded on my door + driveway cameras. They also chase walkers - drivers down the street.

Please use the back of this page if additional space is needed; include/attach any information that supports your position. door camera videos on file.
